

Topographic map showing terrain contours, rivers, and various landmarks. The map is overlaid with a grid of yellow squares, each containing a letter (A through Z) and a number (1 through 26). The grid covers the area from approximately 50°N to 51°N latitude and 35°E to 37°E longitude.

Key geographical features include:

- City of Kladno (Кладно)
- River Vltava (Vltava)
- Hills and valleys (e.g., Poljana Gontarova, Poljana Tverдохорова, Poljana Шуркина, Poljana Федусова, Балка Колтенова)
- Landmarks such as "Учебная база Кугу" (Kugu training base) and "Братское захоронение венгерских и румынских военнопленных" (Brotherly burial of Hungarian and Romanian prisoners of war).

The grid letters are arranged in columns (A through Z) and rows (1 through 26). The map is oriented with North at the top.
