

The map features a grid of yellow squares, each containing a numerical identifier. The grid is organized into rows and columns. The vertical axis (y-axis) is labeled with values from 5895000 to 5915000 in increments of 500. The horizontal axis (x-axis) is labeled with values from 545500 to 5495000 in increments of 500. The grid covers a large area, with the vertical axis ranging from 5895000 to 5915000 and the horizontal axis ranging from 545500 to 5495000. The map is oriented with North at the top.

The map displays a complex landscape with various features. A central town area is visible, surrounded by agricultural fields and forests. The grid overlay is a key feature, providing a systematic way to identify specific locations on the map. The numerical identifiers in the grid squares range from 5895000 to 5915000 on the vertical axis and 545500 to 5495000 on the horizontal axis. The map is oriented with North at the top.
